IMPORTANT EXAM INFORMATION

National AS examinations begin on **Monday 12th May 2025**

Study Leave

If a student has a morning examination, they are permitted to have the day before the examination off.

If a student has an afternoon examination, they are permitted to have the afternoon of the day before the examination, as well as the morning of the day of the examination off.

Revision expectations

You should be well into your revision programme now. You should be allocating time each day to revise and completing past paper questions to test your knowledge, understanding and application. The study skills sessions on a Thursday will have given you plenty of strategies. You can access these sessions on google classroom. Your class teachers will have also posted revision materials on google classroom. Your teachers and mentors will support you if you are having problems – do not be afraid to ask.

The 6th form study centre is available for you to use throughout the exam period.

Exam expectations

Exams will be sat in the leisure centre for most of you. For those in separate rooms, please consult your individual exam timetable. You are expected to arrive at the exam venue 10 minutes before the exam. Make sure you are equipped with black biro's (maths instruments and calculators for some exams). You will need a clear pencil case and clear water bottle. No smart watches or phones. Do not sit the exam with nail extensions.

Before you arrive at the exam, make sure you are properly prepared – feed, watered, equipped and taken any relevant medication.
